10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I have practiced law for 35 years and during that time have been responsible for litigating primarily commercial and real estate disputes, including completion of many bench and jury trials. For several years I have been listed in Best Lawyers in the areas of eminent domain and municipal law and in 2014 received recognition by Best Lawyers as the Municipal Lawyer of the Year in the St. Louis area.

I have successfully negotiated settlements in many cases, some of which have been with the facilitation of mediators, which has given me insight into both the litigation process, substantive areas of the law that affect possible settlement of cases as well as the issues that affect parties' evaluation of their cases and their willingness and ability to settle. In January I completed the 23 hour Mediation Training for Civil Cases program conducted by the Center for the Study of Dispute Resolution at the University of Missouri-Columbia.
