STATE OF MISSOURI

NEUTRAL QUALIFICATION FORM
Pursuant to Local Rule 38

I am applying for inclusion on the list of neutrals to be maintained by the Circuit Clerk pursuant to Local Rule 38 of the Circuit Court of St. Louis County. The following information is supplied in support of this application.

1. Name: McCarter W. Dudley
(Last) (First) (Middle)
2. Address: Behr, Mantovani, McCarter & Potter, P. C.
7777 Bonhomme, Suite 1810
Clayton, MO 63105
(City) (State) (ZIP+4)
3. Telephone Number: 314/862-3800

5. State the standard hourly fee for your services as a neutral. \$200
6. List your appropriate training or equivalent experience in conducting alternative dispute resolution as required for certification under Supreme Court Rule 17.04.
I completed the 16 hour mediator's training program at the University of
Missouri School of Law on May 13-14, 1999. I have also participated in over
30 mediations, as both a party and a mediator.
7. Please list all areas of substantive law or experience which are or have been a significant part of your professional background or practice.
All civil litigation, including employment discrimination, construction,
commercial and business, municipal and zoning, professional malpractice,

- b. Have you ever pled guilty to or been found guilty of a felony? no
- c. Have you ever been found liable for fraud or any other intentional tort? no

United States District Court for the Eastern District of Missouri

10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I have handled a wide variety of litigation matters during the 24 years I have practiced law. I have represented both plaintiffs and defendants, have tried a number of cases (both jury and non-jury) and have also handled a number of appeals. I believe this broad experience is very helpful for a neutral.

I have participated in over 30 mediations in which I have represented both plaintiffs and defendants. I have also served as a mediator in several cases. I believe I have a perspective on how mediation can be successful, not only from a plaintiff's perspective or defendant's perspective, but from the neutral's perspective.

Throughout my career, I have been very active in local and state bar association activities. This has brought me into professional contact with a number of other attorneys. Because of these professional associations, I believe that I can establish a rapport with the attorneys who are representing clients in a mediation before me.
