10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I have twenty-seven years of legal experience, primarily in Commercial Bankruptcy and restructuring wherein time and money are scarce and therefore, rapid resolution through consensus building is required. Delivering successful results involves reconciling the disparate interests of many different parties, including: secured creditors, unsecured creditors, the debtor and others. I have developed these skills that are most advantageous in mediating commercial disputes.

I was also a party in a divorce case and empathize with litigants who seek to avoid protracted and costly battles that may yield a less favorable result.
