I have extensive training and experience in mediation, collaborative law, and litigation. Mediation and collaborative law are settlement-focused and should be primary considerations for parties in family law disputes. I believe the combination of a law degree and a master's degree in child development give me a unique perspective in family cases, particularly custody cases. I believe that parenting plans should be carefully crafted for the particular family's circumstances and not "off the shelf." Mediation should also be tailored to the couple's needs. I welcome attorneys to participate in the mediation if requested. I have the expertise to assist with complex financial issues, including business valuations and maintenance. I am a past chair of the Missouri Bar Family Law Section, a founding member of the St. Louis Collaborative Family Law Association, and a member of the American Academy of Matrimonial Lawyers (AAML), a national organization that promotes the highest degree of professionalism and ethics in the practice of family law. Rocco V. Erker is an experienced mediator and arbitrator. He has been involved in assisting people with disputes of many years. He believes that mediation is a kinder and gentler way of resolving disputes, and it allows the validation of the parties by letting them have their voices heard. It also allows the parties to resolve disputes in a more humane and expeditious manner, and one in which they can affect the outcome. He does not pass judgment on the participants, nor assess the value of their position - but he listens to them, moderates communication between them, and guides the process toward the most satisfactory outcome for all sides.

Let him be your guide, as he assists you in taking control of your disputes and achieving your peace of mind. He will empower you to make the most prudent decisions about how to best resolve your disputes.

Divorce or separation from a partner is a time of enormous change and emotion. Mediation is a process that allows parties to find unique solutions, together, that satisfy the needs and interests of the parties and their children. Parties take control of their own decisions and develop communication and problem-solving skills that support better co-parenting. As an attorney/mediator for over 25 years, and a Certified Public Accountant, I know it is also imprtant to help parties understand and discuss the issues and changes ahead; consider and address any complex financial or tax issues to be resolved; and to look for ways to add value with my services.

I help prepare parties for mediation by offereing a 1/2 hour free orientation, set by appointment. I offer weekend and evening hours. Services include in office and on-line mediations, co-mediation, parenting coordination, collaborative and cooperative law, and traditional litigation/trial work. I am a co-founder of Confluence Missouri (a nonprofit mediation resource); a trainer for civil and family law mediator and parenting coordination; and possess an advance, graduate of law (L.L.M.) degree in Dispute Resolution.

Missouri CPA (1985); Saint Louis University-JD (1991-sum laude); University of Missouri-L.L.M. (Masters of Law) Dispute Resolution (2013); former Adjunct Professor; ABA Certified of Merit in Child Advocacy (1999).
